To whom it may concern:

I am writing to make the following FOIA request. Ideally what I would like is an excel file that lists the contract number (contracts numbers to follow) in the first column, with a description of the contract in the second column, with the vendor in the third column, with the dollar value of the contract in the fourth column, and with the FTE rate for all positions in the remaining columns (each position should be in a new column). Please let me know if you have any questions or if this request needs to be amended.

Thank you.
